

QHIOS AT A GLANCE

- Cozeva – Applied Research Works, Inc.
- Health Gorilla
- Long Health
- Los Angeles Network for Enhanced Services (LANES)
- Manifest MedEx
- Orange County Partners in Health – HIE
- SacValley MedShare
- San Diego Health Connect
- Serving Communities Health Information Organization (SCHIO)

To assist DxF Participants in choosing a QHIO, CDII is providing this resource, which outlines the following information for each QHIO:

- Organization’s website
- Which regions they provide health information exchange services
- Length of time for onboarding a participant
- Primary point of contact for QHIO onboarding of DxF Participants
- Types of organizations they serve
- Types of data exchange included in their services

Should Participants have additional questions not addressed in this resource, please reach out to the provided QHIO contact or email the Center for Data Insights and Innovation DxF at dxs@chhs.ca.gov.

The data in this resource are self-reported provided by the QHIOs. CDII has not independently verified the validity.
