Hi Willy, I see you in the attendee list. If you go to the calendar invite and click your name, you can join as a panelist.

01:17:02 | Akira
Are there places where any of you have worked where you've seen FHIR really be successful or transformative in what's going on?

01:19:21 | Justine Yu

1. In what sectors and for what use cases has FHIR been successful?
2. What does success look like for FHIR adoption for the DxF?
3. What are the barriers to success?

01:31:14 | Rim Cothren
We'll turn to public comment, a little late, after Ken.
