

**California Department of Health Care Access & Information
Data Exchange Framework (DxF) Standards Workgroup Meeting
Q&A Log (12:00 – 1:00 PM PT, October 28, 2026)**

The following questions were asked in the Zoom Q&A log by Members of the Standards Workgroup and members of the public during the Standards Workgroup meeting on October 28, 2026. Answers to questions were provided by staff.

Keith Brick, eHealth Exchange

Hello, I'm Keith Brick with eHealth Exchange.

Host/Moderator

Hi Keith, please accept the panelist approval.

Keith Brick, eHealth Exchange

I didn't receive an attendee invite!

Host/Moderator

Thanks for letting us know. Would you be able to join using this Zoom panelist link?

rajandev

The challenge with FHIR is that EHRs are only implementing the requirements for read-only access for limited patient FHIR specifications, as defined by law. Unless there is a law requiring EHRs to be compliant with FHIR, it will remain a fragmented solution. I would love to hear what members think about this.

Jerry Hall

Thank you all!
